If participants have medical concerns they are advised to consult their doctor prior to making a booking. Participants will be required to certify that they do not suffer from any medical condition.

TreeTops Terms and Conditions

3. Arrival Times at The Park

A. Safety lessons will start promptly on time, so please be ready at your booked time which is outlined in your confirmation email. It is very important that you arrive ready for the start of your session. This means:

- Bathroom used;
- Empty pockets and jewellery/watches etc. removed;
- Being checked in;
- Completed waiver form handed to TreeTops staff.

TreeTops recommends 10-15 minutes (30 minutes for Sydney parks) for this process. Please take into consideration the time to find a car parking space and walk to the office and harnessing areas which can vary greatly from one park to the other.

B. If participants miss their start times due to reasons outside their control, then it will be at the discretion of TreeTops management, as to whether they are able to accommodate the late arriving participant(s). No refunds or part-refunds will be made for late arriving participants in the event this is not possible.

In such circumstances TreeTops will reschedule your booking to a mutually convenient date and time, within 6 months.

5. Waiver Form (Liability Release and Express Assumption of Risks)

These Terms and Conditions incorporate TreeTops' waiver form, which each participant over 18 years of age will be required to sign before being permitted to undertake the Activities. Participating Juniors and Children must be included on a waiver form in order to participate. Any Adult (18+) in a booking may sign a waiver form taking responsibility for a Child or Junior in the same booking. It is not permitted for Adults in a different booking to include Juniors or Children on their waiver form. However, it is preferred that their parent/guardian sign the form regardless of whether or not they will be present on the day. A copy of the waiver form will be emailed with the booking confirmation or can be downloaded from the TreeTops website.

In the unlikely event that you or a member of your group (participating or not) is injured at the park, you must report it to TreeTops' friendly staff as soon as practical on the day.

 - They are Juniors who are accompanying a group of younger Children (eg: birthday party);
 - They are Juniors who prefer to participate on less challenging courses;
 - They are people with reduced mental capacity or other disabilities which may result in unsafe participation in age appropriate courses. TreeTops will do their best to accommodate all abilities. This is best achieved by contacting the park in advance.
- D. Bookings run for approximately 2 hours (includes approximately 30 minutes getting into and out of equipment and participating in a safety lesson).
- E. Children and supervising adults must participate in a safety lesson prior to the Child climbing. Children must complete the White/Yellow courses independently prior to undertaking the more advanced courses.
